President Clete Scalo gave this week’s “Rotor Fact” about Qualifications of a new member.

1. Hold or be retired from a professional, proprietary, executive, managerial or community position
2. Have demonstrated a commitment to service through personal involvement
3. Be able to meet the club’s weekly attendance or community project participation requirements
4. Live or work within the area of the club or surrounding area

He also reviewed the attendance policy:

Members are expected to attend weekly club meetings. They must pay annual dues to their clubs, their Rotary district, and Rotary International, and they’re expected to participate in area or International Rotary club activities or projects. Clubs encourage members to aspire to club leadership or committee roles.

The “Rotor Facts” question was, “What is the number one qualification of a new member?”

Scott Hacker answered the question correctly and won a hat.

Dick Musko passed around a sign up sheet for members who will be attending the breakfast meeting at Lutherlyn on August 11 at 7:15 a.m.

President Scalo announced our website has been updated with the calendars and speakers. The password has been sent to members who want to log on and get information. He and Doug Hammer are still working on updating events and other aspects of the website.

We now have a document box to keep membership applications, etc. It will be located in the closet with our other Rotary items.

Scott Hacker spoke about future service projects. He distributed a list of projects that are on our list right now. These will be addressed at the next Board meeting. If anyone has a project they would like to propose they should give the information to Scott.

Cindy Harbison passed around an article about the Community Health Clinic and their need for funding to begin offering dental care. She will be emailing the guest list we have used in the past. She asked members to print it out, review it, make changes or additions, and return it to her at the next meeting. There will be a planning meeting on July 30 at 7:30 a.m. at the Career Link office. Anyone who wants to help with the Gala is invited to attend.

Ed Wadding inquired if any members would like to sell raffle tickets to benefit the Autism Society at Brian Minto's next fight. The fight will be on August 14 at Pullman Park. Please let Ed know if you would like to help.

Peggy Weckerly thanked everyone who has volunteered to help with the Picnic at the Playground on Friday, July 31. She will be sending information to everyone via email. There was discussion about having Matt Clement appear since Brian Minto is unavailable. Peggy said since the kids will be able to swim, there may not be a need to have a celebrity there in addition to the playground to keep their attention. Peggy and Ed will get together and discuss.

Clete Scalo introduced speaker Ed Rupert, who reviewed the processes for mapping, reassessment, sheriff sales and appeal for having your property reassessed.

The meeting adjourned at 8:09 a.m.

Respectfully submitted,

Cindy Harbison, Secretary
